La Portette, Bellefleur, Savoie Up the winding mountain road to the church square and the top of the village of Montorin, and a beautiful old farmhouse owned by Liza and Andy. The enticing family suite is reached from the street, more comfy bedrooms lie above. At the top ... great cosy sofas beneath a pitched wooden roof, a long table for fabulous meals, big carved balconies for breathtaking views. In winter, two friendly ski hosts take over, life moves up a gear, every bedroom is filled and you are whisked to the télécabine in three minutes. The snowy slopes of Les Arcs and la Plagne are yours to discover.

• From £420pp per week, half-board
